Academic Year 2020-2021

Welcome Families!

This year we look forward to ...

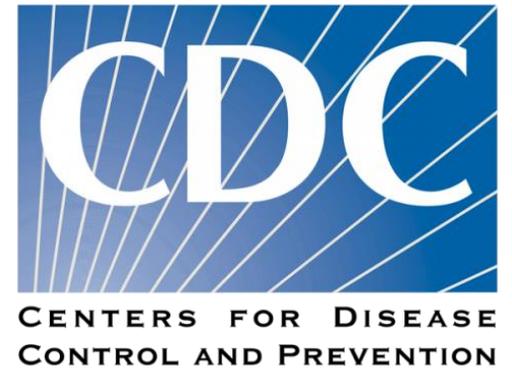

- Reopening safely following all necessary protocols.
- Keeping all CECC families and staff healthy and safe.
- Supporting our students emotional and social well-being.
- Continuing students' academic studies across all curricular areas.

Pandemic Impact on Families

- We understand the emotional impact that the pandemic may have had on families. We are prepared to support our children as they navigate these unprecedented life events.
- As parents you may feel guilty, confused or uncomfortable about allowing your child to return to school. However, we assure you that we will do all that we can to keep our school community healthy and safe.
- We understand the financial constraints that may have been imposed on some families due to reduction of work hours, loss of employment, and housing challenges during this time.

Center for Disease Control

- According to the CDC the best available evidence indicates that children are far less likely to suffer from severe COVID-19 symptoms. So far in this pandemic, the number of ill children are significantly less than the last five flu seasons.
- At the same time, the harms attributed to closed schools affect the social, emotional and behavioral health, economic well-being, and academic achievement of children, in both the short and long term, which can be very significant.
- Further, the lack of in-person educational options disproportionately harms low-income and minority children and those living with disabilities.
- **CECC families have access to private education, which affords you small class sizes, individualized attention and an intimate-sized school environment. This allows your family to rely on our educational services and afterschool programs to meet the needs for your student. Your investment in private education never mattered more.**

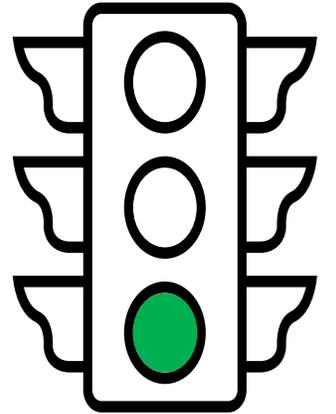

American Academy of Pediatrics (AAP)

- Schools are fundamental to child and adolescent development and well-being, and provide our children and adolescents with academic instruction, social and emotional skills, safety, reliable nutrition, physical/speech and mental health therapy, and opportunities for physical activity, among other benefits. Beyond supporting the educational development of children and adolescents, schools play a critical role in addressing racial and social inequality.
- With the above principles in mind, the AAP advocates that **all policy considerations for the coming school year should start with a goal of having students physically present in school.**

NYC Department of Health/ NYS Department of Education

- NYCDOE and DOHMH has given the **Green Light** for schools to reopen for in-person instruction for academic year 2020-2021 utilizing various learning models.
- All childcare programs are required to develop a reopening safety plan. CECC's reopening safety plan is posted in the lobby of all school buildings and will be made available on the school's website.

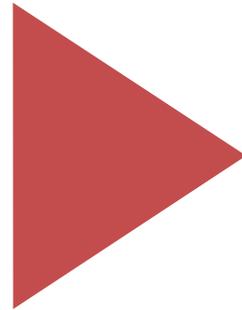

Cortelyou Early Childhood Center's Plans for 2020-2021

**Except for the DOE's Pre-K for All Program.*

PLAN A

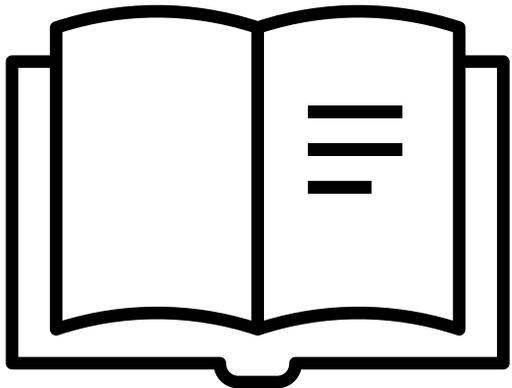

In-Person
Instruction

PLAN B

Remote
Learning in
Virtual
Classrooms

In-Person to Remote Learning Transition

While we acknowledge Governor Cuomo's decision and that the reopening plan for NYS schools is fluid and constantly changing, it is our responsibility to have the health and safety of *our* community foremost in mind.

To that end, CECC will begin the 2020-2021 school year in-person on Tuesday, September 8th and transition ***if necessary*** to remote learning classrooms.

In Class Instruction & Safety Precautions

Face Shields

Face Shields will be provided for each K-5 student.

Face Masks

Face coverings will be required for all K - 5 students. All other grades are optional.

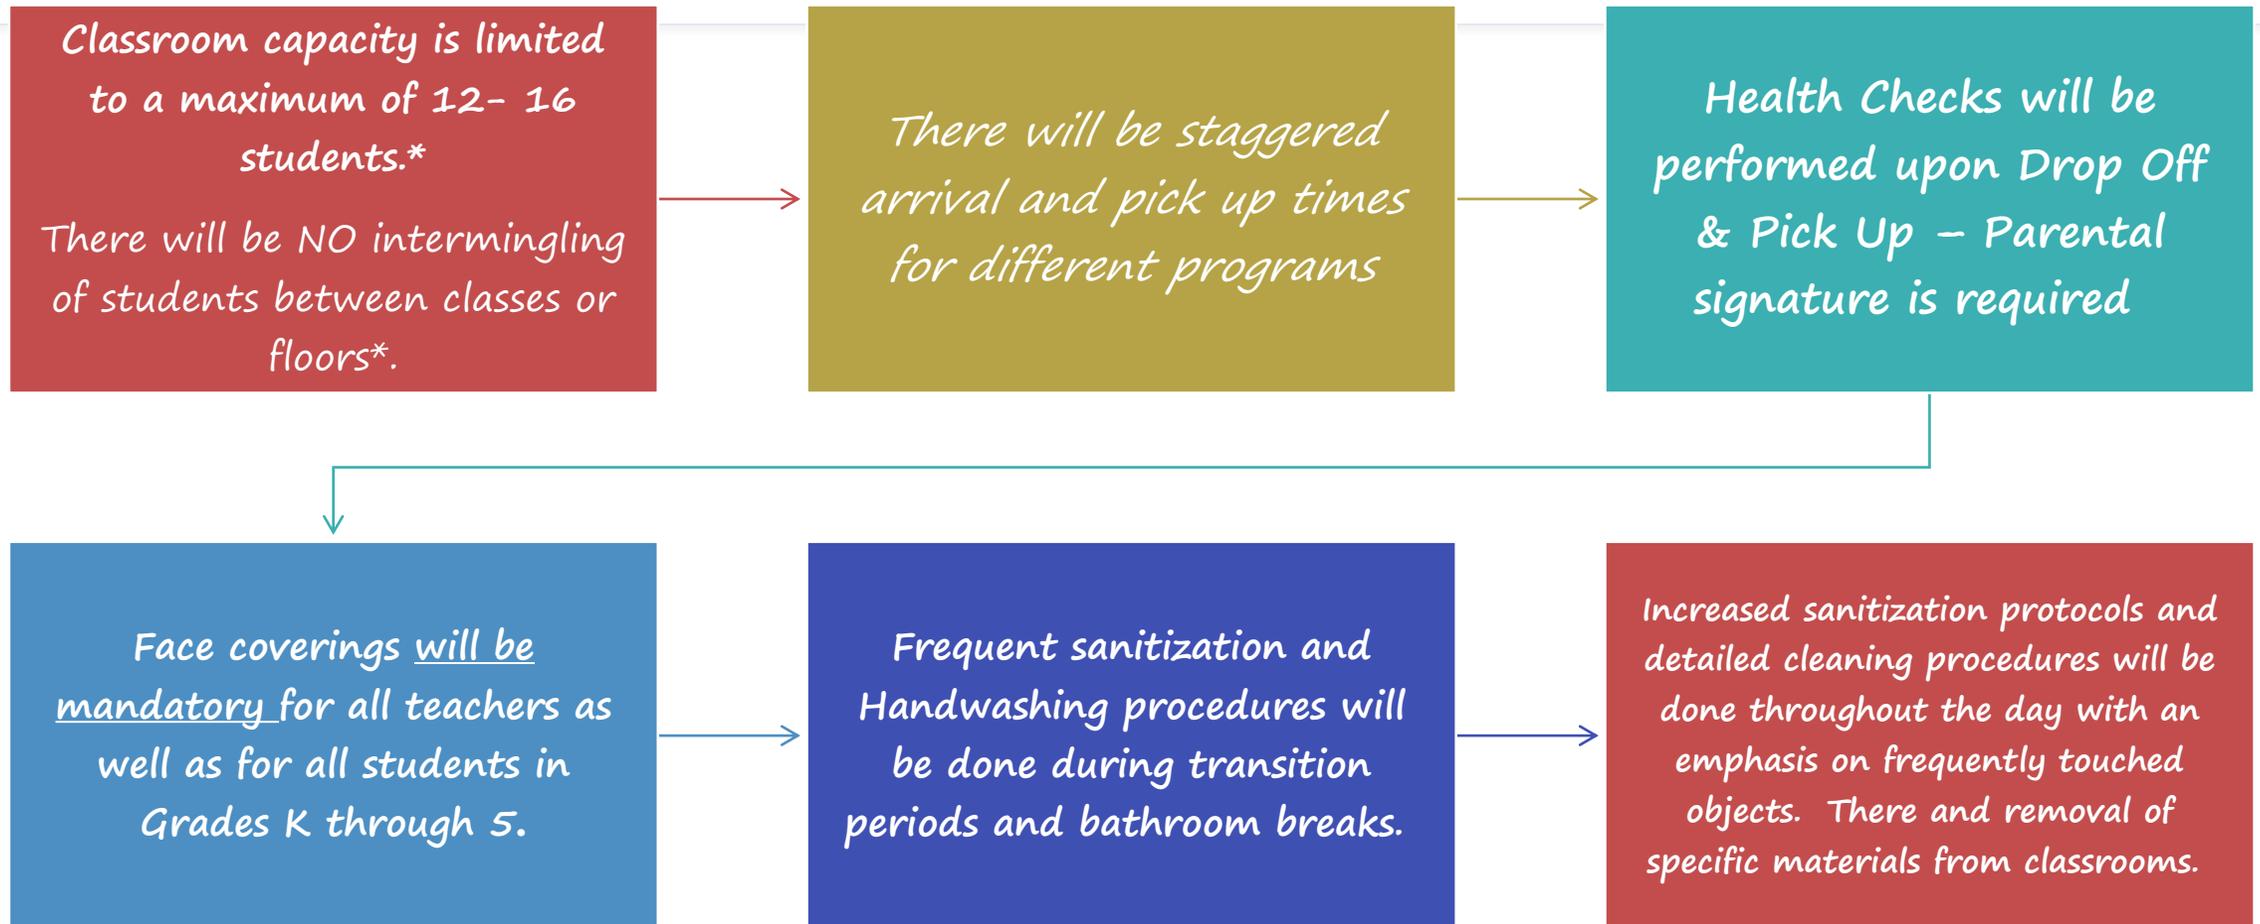

Single Desks

Single Desks will be utilized and spaced 3-feet away in 1st-5th grade rooms.

Social Distancing

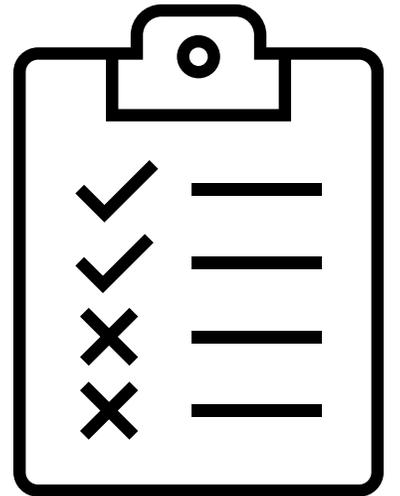

With social distancing, children will interact primarily with their class teacher and classmates. The average class size will be 12-16 students based on room size. Also, CECC plans to repurpose and reallocate space if needed to meet space requirements.

Safety Protocols to be Implemented

Safety Protocols (detailed)

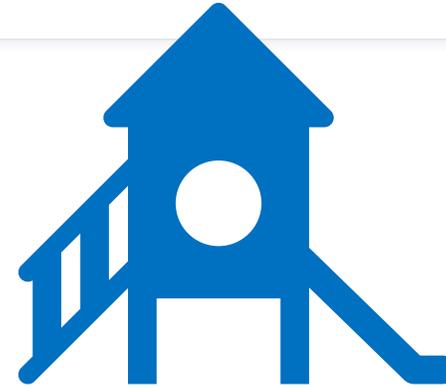

- Health Screenings will be conducted upon arrival. This will include basic health screening questions and temperature checks.
- Students will be required to wash their hands upon arrival, during transition periods, and after bathroom visits.
- All children in K to 5th Grade are required to wear face coverings.
- Toys will be sanitized using soap, water and bleach solutions.
- Highly-touched surfaces will be cleaned & disinfected frequently.
- All CECC staff are trained in advanced First Aid & CPR, as well as Responding to Emergency Training. A school nurse is available on-call.
- All windows will be opened in each classroom to necessitate air circulation.
- If you intend to travel out of state or abroad, kindly inform the school administration*.
 - Children will be required to quarantine for 14 days before returning to school after such travel.

Additional Building Safety Protocols

- **Playgrounds:**

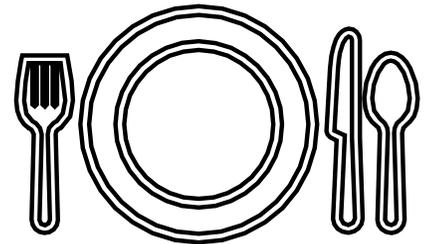

Only one class will be allowed on the playground at a time.
Playground equipment will be cleaned & disinfected before and after use.

- **Cafeteria:**

The Academy building's cafeteria will no longer be of use for this school year.

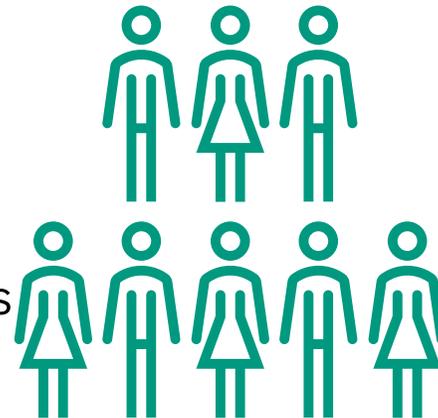

All school meals will be served in the classrooms.

- **School Assemblies:**

All assemblies will be held virtually.

There will be no other assembly or congregation of students allowed for the duration of 2020. i.e. No Winter Show

Frequent Hand Sanitization

CECC will have sanitization protocols in place and have sanitizers available throughout all school buildings. Children will wash and sanitize their hands frequently throughout the school day.

Locations of Hand Sanitization Stations:

- School Lobby
- Teacher's Desk
- Multiple sanitizers within classroom
- Hallway Walls
- Playground Area

Also, a sink with running water is available within 10 feet of every classroom and within some classrooms.

Face Coverings and PPE Usage

According to CDC, "*Masks may help prevent people who have COVID-19 from spreading the virus to others.*"

However, universal face covering is not always possible in the school setting for many reasons such as: *developmental stage, respiratory needs, tactile aversion, or discomfort.*

Schools and families can work together to teach children to wear masks for long periods of time.

The school will provide several "Mask Breaks" throughout the day i.e. *mealtimes, outdoor play, etc.*

Children & Staff: Symptoms and Test Results

- Parents should keep their child at home if he/she is ill. The same rule applies for all staff.
- Any student or staff member with a fever of **100 degrees** or greater should not report to school or work.
- Anyone displaying any symptoms of COVID-19 should not be present in school.
- Parents will be immediately notified to pick up a child who exhibits any symptoms of COVID-19 while in school. **The child must be picked up within one hour.**
- Parents must take the sick child to the doctor and submit health clearance documentation to be allowed to return.
- Families will be notified if a child or staff is tested positive for COVID-19. Contact tracing will commence.
- Families should have a contingency plan if school should be closed/shut down temporarily and refunds will not be available.
- Parents must model good community citizenship to safeguard our school environment for our students and families.

Disclaimer: Parents must execute good judgement and honor our school's safety protocol. Any infraction or gross negligence are grounds for termination of childcare services.

COVID-19 Testing

All staff and students are required to report testing results to our school. There are (2) different types of tests:

- Viral Test (swabs) - this checks see if you currently have the virus.
- Serologic Blood Test - this checks to see if you have antibodies for the virus, which means that you were exposed in the past.

CECC is requesting that all teachers and students remit a COVID-19 antibodies test prior to the commencement of the school year.

If there are suspected cases of COVID-19 exposure within our school - testing protocols will be in place.

NYC DOE Protocol for Confirmed Cases

Conclusion of Investigation	During Investigation	Post Investigation
A. 1 confirmed case	Close Classroom	Classroom remains closed for 14 days; students and staff in close contact with positive case self-quarantine for 14 days.
B. At least 2 cases linked together in school, same classroom	Close Classroom	Classroom remains closed for 14 days; students and staff in close contact with positive cases self-quarantine for 14 days
C. At least 2 cases linked together in school, different classrooms	Close school	Classrooms of each case remain closed and quarantined, additional school members are quarantined based on where the exposure was in the school (e.g., the locker room);

During these times, there will be limited space available to accommodate outside contracted service providers. Parents with children receiving services **MUST** make arrangements with the educational director OR have these services provided at home. We must take all precautions to safeguard the health & safety of our school's environment for all students and staff.

Similarly, if any parents believe that their child are displaying any developmental delays or challenges and may require additional support services, please feel free to reach out to the Family worker, Ms. Judine at 718-282-6077 or JChristian@mycecc.com.

Changes to School Schedule & Programming

**SCHOOL HOURS WILL VARY
FOR EACH PROGRAM.
(PRESCHOOL VS. ELEMENTARY)**

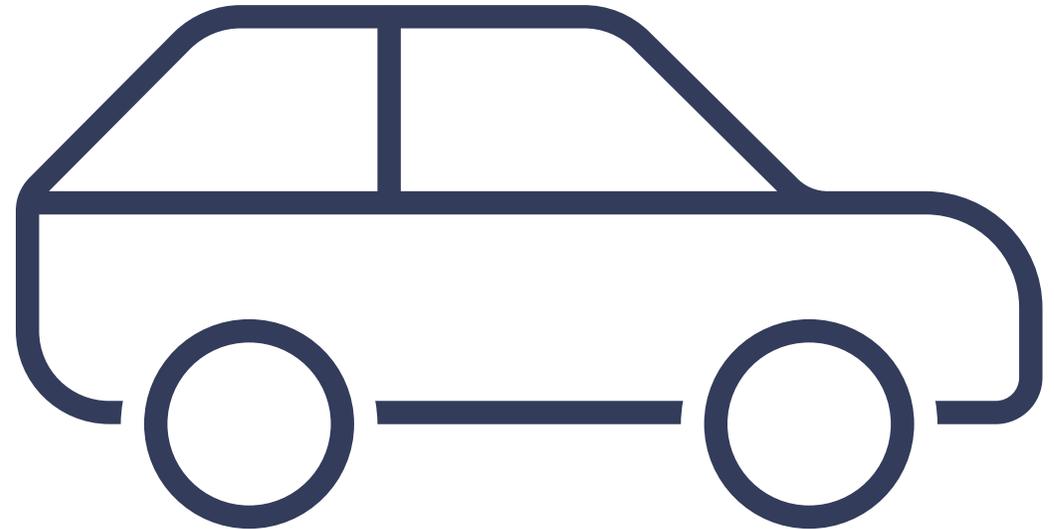

**AFTER SCHOOL PROGRAMMING IS
FROM 3:00PM TO 5:30PM SHARP.**

Staggered Drop Off & Pick Up Times for Preschool Students

Preschool Parents will be required to choose a Drop Off & Pick Up Window for their child. CECC's staggered schedule and reduction of in-person class time will reduce the risk of Covid-19 spread.

The time slots are as follows:

- 7:00am-4:30pm
- 7:30am-5:00pm
- 8:00am-5:00pm
- 8:30am-5:30pm

There is no admission after 9:05am. For security and sanitization purposes, our building will be locked down until dismissal. *Parents as well as non-essential visitors are NOT permitted beyond the lobby doors.*

Staggered Drop Off & Pick Up Times for K-5 Students

For Kindergarten Students Only:

- 7:30-4:30 (*For families who require breakfast*)
- 8:00-5:00 (*For families who DO NOT require breakfast*)

For Elementary Students (without After School*):

- 7:30am-3:00pm (*For families who require breakfast*)
- 8:00am-3:00pm (*For families who DO NOT require breakfast*)

There is no admission after 8:35am. For security and sanitization purposes, our building will be locked down until dismissal times. Parents as well as non-essential visitors are NOT permitted beyond the lobby doors.

CECC's staggered schedule and reduction of in-person class time will reduce the risk of Covid-19 spread.

*Elementary School Students who are enrolled with after school services stay in school from 3:00pm-5:30pm.

Frequently Asked Questions

- **What are CECC's plans for remote learning?**

- Remote learning is mandatory for Pre-K through 5th grade students. However, please note that K-5th Grade services are still provided in person.

- **Do all families have a choice for remote, blended, or in-person instruction?**

- The only program that CECC provides that will provide the option is the DOE's Pre-K for All program.
- For all other programs (Nursery, Toddlers, Kindergarten, 1st-5th Grade), all instruction will be provided in-person until further notice.

- **What are plans for Nursery & Toddler children regarding remote learning models?**

- There will be optional remote learning programs for our Nursery & Toddler classes. These programs come with fees.

Frequently Asked Questions (cont...)

- **How far apart will students sit in the K-5th Grade classrooms?**
 - Students will be 3 feet apart from one another while in the classroom.
- **What if a child or a teacher begins to show symptoms related to COVID-19 while at school? What will CECC's response be?**
 - We will have a designated location to isolate those suspected of showing COVID-19 like symptoms. Areas of the classroom that the suspected person was in contact with will be blocked off and thoroughly disinfected.
 - For children, our staff will notify their parents and require them to pick the child up within one hour. After they have been picked up, the isolation area will be thoroughly disinfected. Parents for their classmates will be notified.
 - For staff, we will require them to return home and quarantine for the remainder of the week and get tested for COVID-19. If tests come back positive, the quarantine period will be extended by another week or so to ensure the 14-day period has been met.

Frequently Asked Questions (cont...)

- **What happens if more than one child or teacher show symptoms and test positive for COVID-19?**

- The entire classroom will be shut down for two weeks. All students and staff should be tested and submit documentation proof for their results.
- Remote learning will be implemented for the quarantine period, and the classroom will be thoroughly cleaned, disinfected, and sanitized.

- **Will CECC provide masks for students?**

- CECC will have masks readily available for all K-5 students.

Frequently Asked Questions (cont...)

- **Will parents or other non-essential visitors be allowed into the school building?**
 - No, only CECC staff, administrators, or other necessary visitors will be allowed on site (emergency personnel, etc.)
- **Will I be able to schedule a party for my child's birthday at school this year?**
 - No, CECC will not host birthday parties for children in adherence to health & safety guidelines and recommendations.
- **Will school bus transportation be available for my child (K-5th Grade) this academic year?**
 - At this time, the DOE Pupil Transportation has not advised as to how they will proceed with school bus service for this year.

Frequently Asked Questions (cont...)

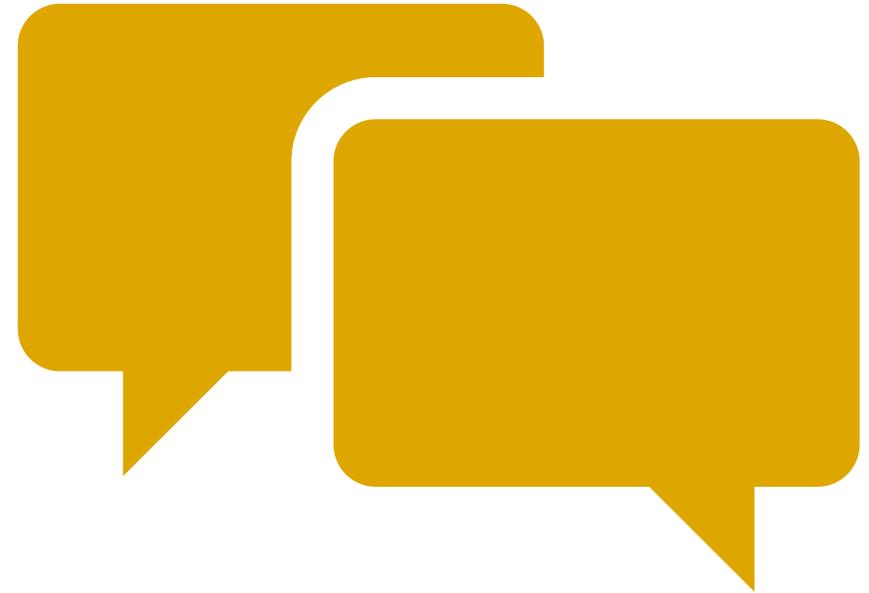

- **Do teachers live locally or commute on public transportation to get to and from work?**
 - It varies, current CECC staff use a variety of transportation methods including use of private vehicles, ride sharing, and walking along with other means of commuting.
- **How and when will children go outside? How often will that be?**
 - If the weather permits, children will go outside twice per day.
- **Will children still be required to wear school uniforms?**
 - Yes, all CECC students will still be required to wear appropriate school uniforms on specific days.
 - Monday, Tuesday, and Thursday all students should wear school uniforms.
 - Wednesdays are Spirit days and students should wear CECC school shirts.
 - Fridays remain dress down days for ALL preschool students and Gym Uniform Day for all elementary students.
- **What about Physical Education classes?**
 - For this upcoming school year, while physical education classes will be in session, students will not participate in contact sports nor will there be any use of shared equipment.
- **What happens if my family will be traveling out of state OR to a hot spot area specifically?**
 - Families who intend to travel outside of the tri-state area must notify the Educational Director of their travel plans. Again, parents must take the entire school family into consideration as it is everyone's responsibility to safeguard the school community.

Question & Answer Session

We will take this time to respond to any additional frequently asked questions parents have left in the chat throughout this meeting.

For any questions that we could not get to today, we will be responding to those that we can provide answers for the following days individually by email.
